

Intermediate 10km programme

This programme is for you if you have already done a race of 10km or longer and would like to improve your time. It uses long runs so you can be confident you'll be able to cover the distance, and tempo and speed work to increase your pace.

Use this alongside our 10km training webpage: www.raceme.ae/training/10km The effort levels described here correspond to the 'Activity' column. 1km is equivalent to 0.6 miles. For this training programme, distances in miles have been rounded to the nearest whole number for simplicity.
